

We wish one day could offer a range of beautiful, attractive and high quality products in children stationery, work and office, art and creativity to our customers. In this approach we attempt to manufacture and choose the best and the most attractive products. we are on the top business position if we could offer products with a good quality, suitable price and attractive design in the daily life and works. We use every opportunity to apply our ability to find the best talents, raw material, suppliers and manufacturers. we try to be creative in design in the future. Increase our products quality and improve our client's relations.

For this reason our company slogan is "friend to good ideas". We welcome good ideas and attempt to help you finding, developing good ideas and make them reality by high quality products.

### Writing instruments for the people...

Owner is everyone's favorite brand of writing and coloring instruments and accessories. Made of finest quality materials and presented in vibrant and attractive packaging, Owner products make for excellent gifts for adults and children alike.

Product Offering:

- Pens & Pencils
- Mechanical Pencils
- Coloring Pencils
- Watercolors, Postercolor & Pastels
- Markers & Highlighters
- & more...

Owner is an innovative brand of writing and coloring instruments, with a wide selection of vibrant and exciting products on offer.

From product and packaging design, through to component and material selection, we are meticulously involved in every step of the process to offer unique and high-quality products, bearing the continually refreshed and modern Owner logo.

Product safety and quality are key to our component and material sourcing processes. That is why we study all specifications in detail and select products which adhere to the latest international standards for safety and quality. Offering complete shop display overhauls is part of our diversified brand-building process. We offer a full solution from product literature and gifts, to stands and displays, together with design consultation and execution, making sure the vibrant Owner logo constantly remains freshly present in the minds of our consumers.

"From the selection of inks and coloring materials through to graphite leads for pencils, all product aspects are covered to ensure that our offering is safe for everyday use by children and adults."
